Gladioli, beautiful flowers,  
Bloom to gladden our summer hours.  
Tall and stately, colors rare,  
All the rainbow shades are there;  
Giants fine, and beautifully ruffled,  
Primulus, and plain petalled.  
They will gladden your heart,  
They will joy impart,  
Order of Newell and make a start.

CHOICE GLADIOLI & CUT FLOWERS

To my Patrons:-

I am endeavoring to get the best in Gladioli and have over 100 varieties. 40 of them are Kundards, the great breeder. A great many are ruffled and very large and such fine colors. If there is something you wish that I have not, I will get it for you. My bulbs are very fine and healthy and anything that is not satisfactory I will make it so. Thanking you for the past year's patronage and hoping I may hold your trade.

Plant bulbs 5" deep and 6" apart, in sunshine, and cultivate. Your garden is the best place. Don't plant in shade.
